## STUDENT TESTIMONIALS

*"Thank you so much, offering this training to our employees has helped them provide better care for our clients and has expanded the services that our business now provides."*
Karen

*"I love my job as a nurse, but I've always wanted to start my own business. Now I am my own boss and help new and expecting parents learn how to properly care for their babies!"*
Susan

*"Thank you for the work that your organization does to support child care professionals and business owners. It is obvious to me that you, not only know your stuff, but you truly care about our success!"*

Sylvia T.

# Take Your Business to the Next Level

### ICT HAS TRAINED THOUSANDS OF CAREGIVERS WORLDWIDE, AND NOW YOU CAN JOIN US IN ADVANCING QUALITY CARE!

When you become a Certified Newborn Care Instructor, you gain a respected credential. The Infant & Child Care Training Academy has a national and international reputation for growing and developing some of the best training and childcare programs around the world, ensuring new/expectant parents and professional caregivers that you will provide them with the highest support, education, and care. You will be designated as a Newborn Care Instructor (NCI) certified by ICT and approved by the INCA (International Newborn Care Association | TheINCA.org). You will have access to updates, resources, materials, and support. You will be able to order exclusive training supplies and issue official certificates.

## INSTRUCTOR REQUIREMENTS

### INSTRUCTORS MUST MEET THE FOLLOWING QUALIFICATIONS:

**Education/Experience Criteria**

The education/experience criteria can be met in three different ways. The trainer must have:

an AA degree (or higher) in early childhood or a related field; and two or more years working with newborns/children professionally or experience working with adults as a trainer in an early childhood or related field.

or

an LPN or RN license

or

a High School Diploma or GED; and
Credential from one of the following:

- Child Development Associate (CDA)
- Family Daycare License or Registration
- ICT Academy or DONA Certificate
- Children's Program Administrator Credential
- NYS Infant Toddler Credential

or

a High School Diploma or GED; and
ten or more years of experience working with children professionally or as an adult trainer in an early childhood or related.
